Important Update

Kia ora ra i te whanau o Matatuhi Taranaki

As you know Vol.2, No.2 is a special issue focused on Patea, Waverley, Waitotara, Ngamatapouri, Makakaho and Taumatatahi as announced on our Facebook page some time ago.

The response was incredible; the text manuscript is about 158 pages long, so my co-editor, Dr. Vaughan Rapatahana, and I have decided to make it a book but combine it as a double issue to include Vol.3, Number 1 (2023).

Poems, creative fiction, short stories, micro-fiction previously submitted and included for Vol.3 No.1 will be transferred to Vol.3, no.2. The contents of those with acceptance for Vol.3 No.2 are not affected.

Watch for release details in January 2023.
